**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

After years of promises and an infrastructure that was already in place (fiber was ready at the house) ATT didnt provide fiber until months after Sonic stated doing so. Competition is vital and the big ISPs will do nothing unless they fear losing customers. The new services provided by sonic are cheaper and faster and phone service is better, I can now call international with no charge. I will never go back to slow dsl provided by ATT.
